Solar Pakistan 2017

Solar Pakistan 2017 - The main focus of this exhibition is to highlight the importance of the most practical and readily available non-conventional renewable resource i.e. Solar Energy. Studies suggest that the reliance of solar energy can be effective in combating the current power crisis in the country. Many developed economies have already started utilizing clean and renewable energy solutions due to which their installation cost has decreased globally. This is high time that Pakistan began to adopt this trend so that it can get over the energy deficit and speed up the rate of its growth.

Solar Pakistan 2017 will be the biggest energy event in Pakistan to bring together the decision makers, stake holders and concerned authorities on one platform where they can discuss a way forward on how to move ahead with a plan to control the ever increasing energy deficit in Pakistan.

Solar Pakistan 2017 will focus solely on photovoltaic, smart energy solutions and technology, energy storage systems & renewable heating. By participating one can avail the opportunity of superior networking, visibility and value in the solar market of Pakistan.

Reasons to Exhibit at Solar Pakistan ?

- Meet face-to-face with local & international energy professionals
- Make new business contacts and generate sales
- Get up-to-date with industry developments
- Demonstrate & launch new products & technology
- Extensive media exposure before, during and after the event
- Stay ahead of the industry and developments in the world market

Reasons to Visit at Solar Pakistan ?

- Discover what's possible when incredible cutting-edge technology and brilliant professionals come together.
- Meet industry players at one place
- Find potential suppliers of the industry
- Source a specific product or service
- Attend industry focused conference / seminar

EXHIBITION STATISTICS

EXHIBITION SPACE	4,500 sqm
EXPECTED EXHIBITORS	150
EXPECTED VISITORS	12000

What does it Cost?

Exhibition Tariff

Bare Space	USD \$ 250 per sqm	Min. 18 sqm
Shell Scheme	USD \$ 270 per sqm	Min. 9 sqm

Show Highlights

- Networking Opportunities
- Press Conference
- Conference "Energize Pakistan"
- Extensive Media Coverage
- Pre scheduled Appointments
- Delegate Participation Program
